

School Educators and Counselors,

Please feel free to print the attached flier, with our QR code to share with your students or post in your classroom, office, or other places your students will see it. Additionally, an email has been drafted for you to easily copy and paste as another way to share our program with your students.

We sincerely hope this will save you time and make it easier to share with your students interested in the future in a healthcare field.

Thank you for your time!

ATSU-Truman Healthcare Directors

Dear Students,

*Please see the opportunity to apply for the **ATSU-Truman Healthcare Academy** this summer. This program is for high school students who will have completed 9th, 10th, and 11th grades at the end of this school year. This one-week academy is through a partnership with A.T. Still University and Truman State University in Kirksville, Missouri offering a glimpse into future careers in the healthcare field. You will spend time on their respective campuses exploring various professions through hands-on activities, meeting with industry professionals, and learning basic lifesaving skills.*

If you are interested in applying or want to learn more, follow this link: [ATSU-Truman Healthcare Academy](#).

Best,

[Your Name]
