\* We recommend bringing as many changes of clothing and pj's as possible to prevent needing to do more than 1-2 loads of laundry during the academy. It is also recommended to be sure to bring more than one bath towel/wash cloth. Students most definitely have laundry access; however, we do have limited time frames for laundry to be done due to student time in classes, planned activities and events. Therefore, it is helpful to bring as many outfits as you can to reduce the number of times you will need to do laundry while on campus. We do have a rotation for students to have an opportunity, however the availability of machines is still limited.

We will use our best judgment to ensure the safety of all students, staff and faculty. The Joseph Baldwin Academy and/or Truman State University are not responsible for loss or damage of any items brought to campus.
